Marauder 

Bucket-seat beauty and sports-car flair go hand in hand in the Marauder S-55 with console-mounted shift lever and console storage space. And, the luxurious bucket seats are individually adjustable.

Even the styling says "go." Note that slim, racy, new hardtop roof. It's not only beautiful, its aerodynamic styling cuts air resistance. Choose from two dashing models: The Marauder with a big 390 V-8 standard... or the sporty Marauder S-55, with console-mounted transmission selector (either Multi-Drive Merc-O-Matic or 4-speed manual), luxurious bucket seats, and 4-barrel Marauder Super 390 V-8 standard engine. Optional engines range up to a special high-performance Marauder Super 427 V-8. Talk about hot! Talk to your Mercury dealer.
